

Culinary Arts Student Application for 2017-18 School Year

Culinary Arts is a 1 year, industry-based program designed for students who are considering a career in foodservice. If you are accepted into the program, please keep in mind that you must complete the **complete** year of the Culinary Arts program, which are **1/2 credit courses**.

The Culinary Arts curriculum is developed by the National Restaurant Association and is a rigorous program; please understand that this program is more than just “cooking.” As a part of the program, you will be part of our school catering business, Tasty Treats, so attendance and willingness to work is crucial. Please see Mrs. Taylor if you have questions. I am looking for students with a strong work ethic and positive attitude. 😊
