All colleges/universities have set admission requirements regarding high school preparation. Meeting LRHS graduation requirements does not ensure you have met admission requirements to the college of your choice.

Students are encouraged to work toward the College Preparatory Certificate. You can access certificates guidelines at: www.dese.mo.gov/divimprove/curriculum/collegeprep

Students who participate in extra-curricular activities need to meet MSHSAA (Missouri State High School Activities Association) guidelines. Guidelines are available at: www.mshsaa.org

End of Course Exams {EOC} are currently required in the following courses for the 2009-2010 school year: Algebra I, Algebra IB, Geometry, Algebra II, Biology I, English I, English II, American History and American Government. If you are taking any of these courses during the 2009-2010 school year you are required to take End of Course Exams (EOC).
