EzStart Lumen HDM District Course Mana Tutoring Managemen

Done

websis.logrog.net

9:35 AM

Click on the student, “Add New” to enter tutoring information. The screenshot below shows the information needed: Before/After school tutoring, sub-category (English, Math, etc) instructor supervising activity, comments, begin date/time, end date/time. Click Save & Add to continue entering tutoring time for that particular student or Save & Finish to search for another student.
