Logan-Rogersville High School Summer School Registration

LRHS Summer School Program is an opportunity for students to stay on track for graduation by recovering credit or to take elective classes so they are able to take additional courses during the regular school year.

The 2010 LR Summer School was placed on hold when the Missouri General Assembly proposed not funding summer school programs. We know summer school is important to many of our students. Therefore, we are moving forward with the registration process in hopes that some state funding is secured for summer school.
